‘Panoramic’, Towner Gallery 2015, Creative Writing Workshop based on the exhibition
against it.
Violence of rejections
entangled in confusion of wildness
underlying pithiness of happiness in a
world of transition

Because of resonance
Reaching but not getting there
Decreasing omnipresence of its elemental
Ebbing of glowing luminance of tenuous
Tangents of emotional trembles
Sands eels swarming adult morning sides
Hollow gruits of fat wildness

Shiver of grass
Catastrophic energy & mind
Shakes, resurgence, resilience
