**THE GARDEN IS A BEAUTIFUL STORY OF HEALING AND GROWTH THROUGH MINDFULNESS AND GARDENING.**

Joanna is a high-powered finance consultant who's been signed off work after having a nervous breakdown. Seeking more than just something to pass the time, she travels to Kyoto, Japan, to immerse herself in the arts of zen gardening and meditation.

Returning home – and to the challenges of daily life – Joanna finds peace and a new sense of calm through nurturing her own garden – and her soul

*'I have happily forgotten what used to concern me before all this.  
I am the strongest thing in the world.  
I have an infinity of precious details to smile upon'*

**A STORY OF GROWTH AND HEALING THROUGH MINDFULNESS AND GARDENING BY TWO HIGHLY ACCLAIMED CREATORS.**

Quiet and meditative, *The Garden* is a story of growth and healing through mindfulness and gardening. It centres on Joanna, a British businesswoman who's been signed off work from a high-powered finance job following a breakdown. Seeking more than just something to pass the time, she travels to Japan to immerse herself in zen gardening and meditation before returning home to nurture her own Japanese garden - and her
